INDEPENDENT AUDITOR'S REPORT

To the Members of Spray Engineering Devices Limited

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Spray Engineering Devices Limited ("the Company"), which comprise the balance sheet as at 31st March 2023, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its financial performance, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditors' Report thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (1) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (2) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (3) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (4) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (5) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - (6) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure "B"
 - (7) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (a) The Company has disclosed details regarding pending litigations in note 26 of standalone financial statements, which may impact its financial position.
 - (b) The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest

Ashwani. K. Gupta and Associates
Chartered Accountants

in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

(e) The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

(8) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of SPRAY ENGINEERING DEVICES LIMITED of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:

a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

b. The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

c. Based on our examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.

d. The Company has not revalued during the year any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets.

e. According to the information and explanation given to us, No proceedings have been initiated or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii) (a) The inventory has been physically verified at regular intervals during the year as explained to us. In our opinion, the frequency of such verification is reasonable. No material discrepancy was noticed on such physical verification.

Ashwani. K. Gupta and Associates
Chartered Accountants

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company and external reports, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks are prima facie in agreement with the books of account of the Company and there is no material discrepancy noted as per our professional Judgement.
- iii) The Company during the year has not made any investment and not granted any unsecured loan or advances in the nature of loans or stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other entity during the year. Hence the clauses are not applicable to the company. However the company had granted interest free unsecured loan in earlier years without any stipulation of repayment as covered in the register maintained under Section 189 of the Act. During the year, the company has written off the said loan against the provision created on the same in earlier years.
- iv) The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties covered under Section 185 of the Act. With regards to investments in securities, guarantees and loans provided to other body corporates after enforcement of section 186 of the Act, The Company has complied with the provisions of Sections 186 of the Companies Act, 2013 except the Company had given interest free loan to a wholly-owned subsidiary in the earlier year as referred in note no. 41(2). During the year, the company has written off the said loan against the provision created on the same in earlier years.
- v) The said loan is doubtful and provision for the same is already provided by the Company in the earlier years.
- vi) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vii) We have broadly reviewed the cost records maintained by the Company, pursuant to the rules made by the Central Government U/s 148(1) of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- viii) In respect of statutory dues:
- a. In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. However, there are slight delays in depositing Provident Fund and Employees' State Insurance.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, duty of Custom, Cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

- b. Details of disputed statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2023 on account of disputes are given below:

Statement of Disputed Dues

Statute	Nature of the Dues	Amount	Period to which the amount relates	Forum where dispute is pending	Remarks
Income Tax Act, 1961	Income Tax	231.62 lacs	Assessment Year 13-14	Commissioner of Income Tax Appeals	Date of service of Order is 31 st March 2022 for which appeal has been filed.

- ix) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 that has not been recorded in books of books.
- x) a. According to information available and explanations given to us and the records given, the company has not defaulted in repayment of dues including any interest thereof, to any financial institution or Bank or Debenture Holders as at Balance sheet date.
- b. The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c. The terms loans were applied for the purpose for which it was obtained.
- d. On an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e. On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- f. The Company has not raised any loans on the pledge of securities held in its subsidiaries, Joint ventures or associates during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- xi) a. The Company has not raised moneys by way of initial public offer or further public offer (Including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

Ashwani. K. Gupta and Associates
Chartered Accountants

- b. During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xii) a. No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c. No whistle blower complaint has been received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xiii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiv) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xvi) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvii) a. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable..
- b. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xviii) The Company has not incurred cash losses during the financial year covered by our audit and immediately previous financial year.

Ashwani. K. Gupta and Associates
Chartered Accountants

- xix)** There is no resignation given by the statutory auditors of the Company during the year and no rotation of Auditors has taken place. Accordingly, clause is not applicable.
- xx)** On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xxi)** Corporate Social Responsibility is applicable to the Company for the FY 2022-23. However, The company has made the average net loss of Rs. 251.57 Lacs during the three immediately preceding financial years. Hence, the amount required to be spent on CSR activities in F.Y. 2022-23 was Rs. Nil.

Annexure “B” to the Independent Auditor’s Report of even date on the Standalone financial statements of Spray Engineering Devices Limited for the year ended 31st March 2023.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Spray Engineering Devices Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the

Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that We comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Spray Engineering Devices Limited

Notes to Standalone Financial Statements for the Year Ended 31 March 2023

1. Corporate information

Spray Engineering Devices Limited ("SEDL" or "the Company") is a Public Limited Company incorporated on 8th November, 2004. The Company is engaged in the business of manufacturing of Cooling & Condensing System and Specifically Energy Efficient Equipments for the Sugar Industry.

2. Basis of preparation

The Financial Statements have been prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis and in compliance with all the mandatory accounting standards as prescribed under Section 133 of the Companies Act 2013 ('Act') read with Rule 7 of the Companies (Accounts) rules, 2014.

2.1 Summary of Significant Accounting Policies

(a) Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the financial statements and the reported amounts of revenues and expenses during the reporting period.

Difference between actual results and estimates are recognized in the periods in which the results are known/ materialize.

(b) Property, Plant & Equipment

Tangible Assets are stated at cost (or revalued amounts, as the case may be), less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

(c) Depreciation on Property, Plant & Equipment

Depreciation on the Assets acquired at the time of acquisition is provided using the Straight Line Method based on useful life of assets and in the manner specified in the Schedule II of the Companies Act, 2013 except in case of Mobile Handset where the useful is considered as 2 years.

(d) Intangible Assets

Cost of Software

Costs of Software are capitalized and amortized on a straight-line basis over its useful life of three years.

Drawings and Licenses

Drawings and licenses are capitalized and amortized on a straight-line basis over its estimated useful life or three years whichever is lower.

(e) Impairment of tangible and intangible assets

The carrying amount of assets is reviewed at each balance sheet date for any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

Spray Engineering Devices Limited

Notes to Standalone Financial Statements for the Year Ended 31 March 2023

(f) Borrowing Costs

Borrowing costs that are attributable to the acquisition of or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

(g) Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

(h) Inventories

Inventories are valued as follows:	
Raw materials, components, stores and spares	Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a weighted average basis.
Work-in-progress and finished goods	Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost is determined on weighted average basis.
Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale.	

(i) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of Goods / scrap

Revenue is recognized in case of traded & manufactured products on dispatch of goods from the factory / other locations when substantial risks & rewards of ownership are transferred to the buyer. Sales are stated net of sales returns. Revenue is shown Sales net of Goods and Service Tax (GST).

Revenue in case of erection & commissioning jobs carried out is recognized on stage of completion as per the terms of related agreements / job orders.

Insurance Claims, export incentives, escalation, etc. are accounted for as and when the estimated amounts recoverable can be reasonably determined as being acceptable to the concerned authorities / parties.

Interest Income

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

(j) Foreign currency transactions

(i) Initial Recognition

Handwritten signatures in blue ink.

Spray Engineering Devices Limited

Notes to Standalone Financial Statements for the Year Ended 31 March 2023

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

(iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

(k) Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. If the Company has carry forward of unabsorbed depreciation and tax losses, deferred tax assets are recognised only if there is virtual certainty that such deferred tax assets can be realised against future taxable profits. Unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably certain that future taxable income will be available against which such deferred tax assets can be realised.

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

(l) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

Spray Engineering Devices Limited

Notes to Standalone Financial Statements for the Year Ended 31 March 2023

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(m) Provisions & Contingent liabilities

- (i) A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.
- (ii) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(n) Leases

Where the Company is the lessee

Finance Lease

A leased asset is depreciated on a straight-line basis over the useful life of the asset or the useful life envisaged in Schedule II to the Companies Act, 2013, whichever is lower. However, if there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset, the lease term or the useful life envisaged in Schedule II to the Companies Act, 2013.

Operating Lease

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Where the Company is the lessor

Finance Lease

Leases in which the Company transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognized as a receivable at an amount equal to the net investment in the lease. After initial recognition, the Company apportions lease rentals between the principal repayment and interest income so as to achieve a constant periodic rate of return on the net investment outstanding in respect of the finance lease. The interest income is recognized in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

Operating Lease

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

M A B A

Spray Engineering Devices Limited

Notes to Standalone Financial Statements for the Year Ended 31 March 2023

(o) Retirement Benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

The Company operates defined benefit plan for its employee's viz. gratuity. The costs of providing benefits under the plan is determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out using the projected unit credit method. Actuarial gains and losses are recognized in full in the period in which they occur in the statement of profit and loss.

Measurement of costs of accumulated leave are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

- (p) Cash and cash equivalents in the cash flow comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

(q) Employee Stock Compensation Cost

Measurement and disclosure of the employee share-based payment plans is done in accordance with the Guidance Note on Accounting for Employee Share-based Payments, issued by the Institute of Chartered Accountants of India. The Company measures compensation cost relating to employee stock options using the fair value method. Compensation expense is amortized over the vesting period of the option on a straight line basis.

(r) Segment Reporting Policies

- (i) Identification of segments:

The Company's operating businesses are organized and managed according to the nature of products and predominant source of the risk for the Company is business product, therefore business segment has been considered as primary segment. The analysis of geographical segments is based on the areas in which the Company operates.

- (ii) Segment Policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

(s) Measurement of EBITDA

As permitted by the Guidance Note on the Schedule III to the Companies Act, 2013, the Company has selected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The Company measures EBITDA on the basis of profit/ (loss) from continuing operations. In its measurement, the Company does not include depreciation and amortization expense, finance costs and tax expense.

26. Contingent Liability

- a. Guarantees given by banks on behalf of the Company Rs. 1513.38 Lacs (P.Y. Rs. 2.85 Lacs).
- b. Disputed Income Tax Liability where the company is in appeal amounting to Rs. 231.62 Lacs (P. Y. Rs. 231.62 Lacs) pertaining to the A.Y. 2013-14.
- c. There are certain claims filed against the company by some parties which are pending with various jurisdictional authorities. The management has reviewed the same and estimate that these claims are not tenable and at the time of outcome of these proceedings there will be no material liability occur to the company.
- d. Claims not acknowledge as debts amounting to Rs. 0.00 Lacs (P.Y. Rs. 0.00 Lacs).

27. Capital Commitments

Estimated amounts of contracts remaining to be executed on capital account (net of advances already made) and not provided for is Rs.415.73 Lacs (PY: Rs.677.70 Lacs)

28. Corporate Social Responsibility: -

Corporate Social Responsibility is applicable to the Company for the FY 2022-23. However, The company has made the average net loss of Rs. 251.57 Lacs during the three immediately preceding financial years. Hence, the amount required to be spent on CSR activities in F.Y. 2022-23 was Rs. Nil.

29. Employees Stock Options Scheme (ESOP)

148031 (P.Y. 148031) equity Shares are held by the Trust as on 31st March, 2023. These shares are to be issued to employees in future on achievement of various performance criteria.

The face value of equity shares with trust amounting to Rs. 14.80 Lacs (PY Rs. 14.80 Lacs) is deducted from the share capital account as per Guidance Note on Accounting for Employees Share- Based Payments issued by the Institute of Chartered Accountants of India.

- 30.** The Company has recognized Minimum Alternate Tax ("MAT") credit entitlement under Section 115JAA of the Income-tax Act, 1961 and classified the same under the head short term loan and advances in Balance Sheet. Total amount of the MAT credit is Rs. 510.76 Lacs as at March 31, 2023 (Rs 1001.39 Lacs as at March 31, 2022). This is based on the management's interpretation of the recoverability and adjustment of the MAT credit entitlement against income tax payable by the company in future based on the present trend of profits and projected future profits from existing business. Accordingly, the management believes that there will be sufficient future taxable profits to utilize the aforementioned MAT credit entitlement within the stipulated period prescribed as per the provisions of the Income Tax Act, 1961.

Spray Engineering Devices Limited
Notes to Standalone Financial Statements for the Year Ended 31 March 2023

**The ratio has improved due to substantial increase in operating income during the year as compared to the amount of debt service due.

***This ratio has improved due to substantial increase in Sales of the company during the current financial year.

****The ratio has improved as the average realization period from debtors has come down.

*****The ratio has improved as due to better liquidity the credit period availed from the sundry creditors is less.

*****Revenue growth along with inefficient utilisation of working capital has resulted in decrement in the ratio.

45. Figures of the previous year have been regrouped, reclassified and/or rearranged wherever necessary, to conform with the current year's presentation.
